**Dear Mr. Bronfenbrener,**

On behalf of the Ariel Cyber Innovation Center (ACIC), I would like to thank you and your colleagues for the professionalism and warm hospitality in Varna during the cyber security course.

I, along with my colleagues Dr. Moti Zwiling and Achiad Alter, highly appreciate the activity of the Black Sea Academy for National Security. The Academy's understanding of today's educational needs for Cyber and National Security make the Black Sea Academy for National Security a deserved regional leader in this field.

We are very impressed by the professional level of Mr. Vladimir Bronfenbrener and his efforts to improve the level of national security of Bulgaria. As one of the leading centers for cybersecurity, we are glad for the opportunity to collaborate with the Black Sea Academy for National Security and to continue to take part in this important process.

Sincerely,

Prof. Albert Pinhasov
